"I believe giving back to the community. I've been fortunate enough to have this education and experience and look to use it to benefit those who otherwise couldn't afford it. As in-house counsel, PBPA makes it easy to find matters that suit my schedule, area of practice and community interests."

Val Rusk
CNN International

We assist 501(c)(3) tax-exempt nonprofit organizations that serve low-income or disadvantaged individuals and are unable to pay for legal services. Our clients work to improve the lives of the homeless, domestic violence survivors, at-risk youth, senior citizens, individuals with disabilities, and other groups in need.
