ABOUT US

We connect volunteer attorneys with Georgia nonprofits in need of free business legal services. Our clients work to improve the lives of the homeless, domestic violence survivors, at-risk youth, senior citizens, individuals with disabilities and other groups in need.

SINCE OUR LAUNCH IN LATE 2005, PRO BONO PARTNERSHIP OF ATLANTA HAS ASSISTED OVER **895** NONPROFIT ORGANIZATIONS WITH OVER **7,500** DIFFERENT LEGAL MATTERS.

2015

In **2015**, we launched a new strategic plan which wrapped up in 2018. Over the 3 years, we met or exceeded our strategic plan goals and we've grown quite a bit!

“

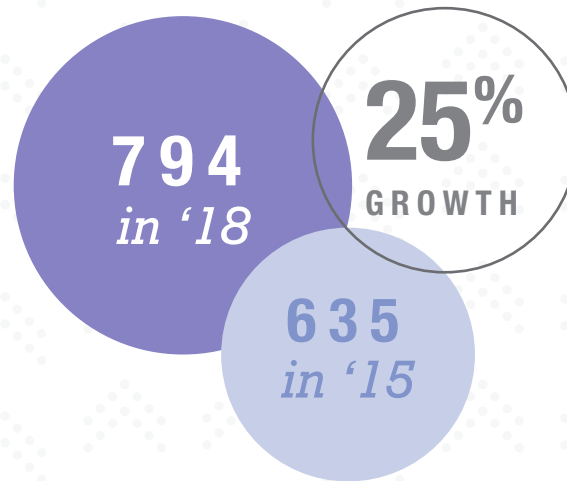

I LOVE THAT PBPA MAKES IT SO EASY FOR TRANSACTIONAL ATTORNEYS TO FIND MEANINGFUL PRO BONO WORK BY FINDING AND SCREENING WORTHWHILE NONPROFIT ORGANIZATIONS WITH CLEARLY IDENTIFIED NEEDS.

Every PBPA client I've worked with has been incredibly **grateful, cooperative, and invested** in our projects.

AS A BONUS, I HAVE LEARNED A LOT ABOUT THE AMAZING WORK BEING DONE IN OUR COMMUNITY BY ORGANIZATIONS I NEVER OTHERWISE WOULD HAVE COME ACROSS.

It Takes a Village

IN JUNE 2016, THE DRAKE HOUSE EXECUTIVE DIRECTOR KATHY SWAHN CALLED ROBYN MILLER, PBPA SENIOR CORPORATE/TAX COUNSEL. THE DRAKE HOUSE PLANNED TO PURCHASE TWO APARTMENT BUILDINGS AND KATHY NEEDED HELP NAVIGATING THE REAL ESTATE PURCHASE AND REVIEWING THE LOAN DOCUMENTS.

Located in Roswell, The Drake House provides emergency and transitional housing for single mothers and their children. Each year, The Drake House serves over 50 families including 100 children. Keeping families together is one of the keys to the success of The Drake House. Children are able to stay in school and boys over the age of 12 are not sent to a men's shelter, which happens in many other shelters across Atlanta.

By February 2017, The Drake House had purchased two new apartment buildings with the help of a team of PBPA attorney volunteers. Over the next two years, The Drake House would continue to work with PBPA volunteer attorneys to modify the property lines and trademark "The Drake Village." The Drake House also worked with HomeAid (another PBPA client) to prepare and renovate the apartments. HomeAid works with local

construction companies to build and renovate housing facilities for organizations serving individuals and families experiencing homelessness.

Happily, The Drake Village apartments opened in February 2019, **doubling the capacity of The Drake House to serve homeless women and children with 32 units and 100 beds.** In a thank you letter to her PBPA volunteers, Kathy Swahn said "Words cannot express how grateful we are to both of you for all of your diligence on the purchase of the apartment complex. By doubling our capacity, we can further stabilize our families by offering extended programming in these additional sixteen units, while maintaining our original units for crisis housing. With the continued decline in affordable housing in the North Fulton area, we will be well positioned for community support of this measure to assist additional local families."
